

TEMPORARY SWIMMING POOL CLOSURES

ACTIVE NORTHUMBERLAND

Investing in our pools

As part of our capital investment programme, some of our swimming pools will be closed temporarily in 2019 to allow us to carry out essential pool plant maintenance work

This work cannot be done safely while the pools are open so we'd like to thank all swimmers for your patience whilst the work is completed. We apologise for any inconvenience caused.

KEY

- TBC Start date to be confirmed
-  Work in progress
Pool closed
-  Work complete.
Pool open

Thank you for your patience whilst we complete this essential maintenance schedule. We will keep this schedule as up to date as possible but dates may change according to how the work progresses.

You are welcome to swim at any of our other pools. Please check the timetable on the website or app for details. For those within our Learn 2 Swim scheme, we are working to provide replacement sessions for you or your child and where we aren't able to offer this any paid Swimming Lessons will be credited to your account with us. We can freeze your membership, if you don't plan to use any facilities during the closure period, just speak to our team.
